Sister Sarah A mild semi soft cheese made in the dairy with Goat milk. The goat milk is supplied to us by small herd of goats, from a farm in Kent. Although not organic, the goats are free to graze the pastures during the summer, and fed a diet of hay in the winter, when they remain in the buildings out of the weather. "Sister Sarah" is matured for just 4 - 6 weeks. The cheese is very white as goats digest all the carotene in the grass, unlike cows, where it remains undigested in the milk, hence it making a more yellow cheese.	1.6kg	Goats, Past, Veg	LO215	25.55	High Weald, West Sussex
Seven Sisters A semi-soft sheep milk cheese with a light coating of pure wild Hebridean Seaweed	1.9kg	Sheep, Past, Veg	LO203	24.40	High Weald Dairy
